

Broke Down in Mississippi

- Jay Memory

**Broke Down in Mississippi
Way to New Orleans
Broke Down in Mississippi
Way to New Orleans
It all started back in Georgia
My ego could not be pleased**

**I Broke Down in Mississippi
Head down in my hands
I Broke Down in Mississippi
Head down in my hands
I had some bidness in New Orleans
The Lord done changed my plans**

**I broke Down in Mississippi
Ten years ago today
I broke down in Mississippi
Ten years ago today
Ten years ago tomorrow
I learned how to kneel & pray**

**I broke down in Mississippi
Lost on Hell's highway
I broke down in Mississippi
Lost on Hell's highway
But Jesus took my baggage, Y'all
He carried me right here today
... Thank you Jesus**

(Hey Man...can I catch a ride?)
